“ John,

Irene and I were absolutely devastated upon hearing of the sudden loss of your dear sweet wife and your constant companion. Joyce was such a loving and caring friend, and so much of a joy to be around. She was so helpful and supportive when Mom passed last year. The two of them had developed such a great friendship over the years, and she always spoke of the great times you all had spent during the time you were neighbors on 2nd Ave. She was always so friendly and welcoming when we came back to town to spend time. She will be so badly missed by Irene and I, and how will I keep track of the masses at St. Anne's for everyone? Please know that you and your family are in our thoughts and prayers. We love all very much.

“ Ron, Marie and family---

So very sorry for your loss of Joyce, a dear, lovely lady. I will always treasure Joyce telling about the recent surprise Christmas visit of your family. Joyce just lit up telling about the 6:30 am Christmas caroling at their front door and the next few days of family fun and memories! Joyce loved every minute! Truly, God's timing.

Will also treasure Joyce's strong faith in God and her devotion to Mary. She always said "we just need to pray about that"--- wonderful words to remember.

God bless ... Carol

“ Every memory of Joyce is also of John. What a great couple and parents. What a joy to have known Joyce. Her curiosity and interest in everyone she met was keen and made you feel she really wanted to know you. John has been a fellow teacher and a constant friend for over 30 years. Unfortunately, I am in Mexico and will not attend services, but I will look up John as soon as I return. My prayers are with you all. Rock and Sharon Gentry

“ Our hearts are broken. She has been a wonderful friend to our family for many years. My son at a very young age bonded with Joyce and Ron when my family lived across the street. When we would visit he couldn't wait to go over and see both of them. Joyce always, always had a smile. I think that will be my most favorite memory of her. Just a kind hearted person that touched all of us with a kind gesture or a kind word. We know she is in a wonderful place and she will still bring joy to our hearts in some form, I'm sure of it. God bless all of you during this difficult time.
