“ *My deepest sympathy to John and family.*

Judy and I went thru St. Mary's School and Dixon High School together. We shared a great deal of memories together and with our husbands John and Jack. Jack passed away in July of 2003 from a stroke.

You are one-up on me about great-grandchildren, cause I do not have any, and no prospects as yet. Altho I do have 11 grandchildren!

I got to speak to Judy on the phone when I came to Dixon over Memorial Day to decorate Jack's and my family's graves this May.

Judy's voice seemed strong and she seemed glad for my call.

I am so sorry for your loss. The healing process takes a very long time.

“ I keep remembering all the times we would spend together over the years and how much fun we had together. Whether it was a trip out West where we met up, a trip to Galena to spend the day looking at antiques, or maybe the trips to Monroe which still a reminder when I hear of good old Cheese Days in Monroe, and how we would just enjoy the day there. Of course there was the trip to Happy Joe's in Morrison for one of their scrumptuous hot fudge sundaes and how we laughed when John put the tape recorder under the seat and we, of course, didn't know it. We couldn't even tell which one of us was speaking. Oh, there are just too many memories to retell here, but I will carry them with me for the rest of my life and that is exactly how I want to remember my Sister, Judy. She has to be in heaven as she certainly put some very trying times here on earth.

May you rest in peace, my Dear Sister. Until we meet again.....

“ It almost seems fitting, somehow, that Judy passed away in the month of October. She always seemed to love autumn and Halloween so much and, in fact, this time of year always brings back my fondest memories of Aunt Judy and Uncle John. I'm so very sad that she had to leave us all, but for all of us who remember her in our hearts...she'll never be very far away. Even in this day and age of such discovery and knowledge, I still love to look up at the twinkling stars at night in simple wonder; with the belief that another heavenly light was born of Judy's passing. My love goes out to my Uncle John, my cousins Randy and Mark, as well as to their spouses and to all the children. Judy will most certainly be missed, but just as certainly will never be forgotten.

“ WE ARE SO GLAD THAT JUDY IS RELIEVED OF HER SUFFERING AND IS IN A MUCH BETTER PLACE. WE HAVE BEEN RELIVING ALL THE GOOD TIMES WE USED TO HAVE WITH JUDY AND JOHN. IT SEEMS SO MANY YEARS AGO BUT THEY REMAIN IN OUR HEARTS. YOU ALL TRY TO REMEMBER THE GOOD THAT JUDY BLESSED YOU WITH AND YOU'LL GET THROUGH THIS VERY HARD TIME. SHE'LL BE MISSED INDEED.
