“ Eldon,
We are sorry to hear about Judy. We always enjoyed the rides we took with you two. Will always remember the trip to Davis, Iowa and we took the motorhome. Judy rode back in the motorhome with Nancy because it was raining so hard and the guys got soaked. Will keep you and your family in our thoughts and prayers. We are in Florida for the winter. Will see you in the summer when we get back.
Love, Dick and Nancy

“ Judy during my lifetime will be remembered as Super Skate. That was her CB radio handle back in the day. We were usually gathering at someone's house, going out for coffee, calling on Super Skate to get us out of trouble, etc... One time they gathered us all up and took us to the Illinois State Fair and camped for a few days. Super Skate will truly be missed by her old CB gang.
