“ *June and I didn't see each other often but when we met occasionally, June would always have a smile on her face and would want to know what was going on in my life. She always had an eye for fashion and was a warm, loving lady. Farewell, my cousin. Rest in peace.*

“ How could anyone help but love June? She was so much fun, loved to talk to you and always smiling. I used to ride my bike out to her house. When Scott died she said "Joyce I'll never see him again." But they are together, now along with Bob. What a beautiful life, wonderful family and truly a marvelous woman. Much love to the families. “ If everyone could have a cousin like June how lucky they would be as I have been .
We shared a few tears together, but mostly laughs, really bend over laugh. If you felt a little down, visit June and In a little while the laughing would start and the concerns were over. I have memories and stories of our days that will be with me as long as I am around.

“ To the entire family of June, my most sincere and deep sympathies to you all for the loss of this sweet, Loving and, most of all, **FIESTY** lady!! I will always remember June for her zest for life as well as for the deep Love she had for her family. I will also always remember how eloquently and beautifully she dressed, including and especially, her makeup and red lipstick! :) She reminded me a LOT of my own Mother and I will always have warm and wonderful memories of living down the road from June on Santee Street, right next to her Loving daughter and son-in-law, my great friends, Diane and Roger Truckenbrod. Those years were some of the best of my life and I made some wonderful and lifelong memories with these special people!! You are all in my heart and in my prayers as you mourn the loss of this great lady but I am also there in spirit and Love as you celebrate and remember her life!!! **LOVE AND HUGS TO YOU ALL** and may God Bless you,
