“ *My memories of Karen would be this beautiful fun lady that always had a smile, contagious laugh and love for life. She lived life to the fullest. Karen made friends easy and always made them feel welcome wherever she met them. When she talked about Dawn her eyes would light up and a big smile would light up on for face. How very proud she was of Dawn.*

*Karen may you fly with the Angels and continue to watch over family and friends still here on earth. Give all our family hugs and kisses from us. We love you.*

*Dawn and Verdie we will keep you in our prayers. Love n hugs
