“ I remember Karen from when I was just a teenager working at the nursing home..I will always remember her laugh. Up until about 2 weeks ago, she still laughed that laugh. I am honored that I had the chance to take care of her and I am honored that she trusted in me to take care of her. She will be greatly missed by family and friends. Just hang on to all of the memories. My thoughts are with you all.

“ You are in my thoughts and prayers. I had the chance to talk to Karen on the phone not too long ago. It had been awhile but I did enjoy my talk with her. Rick, you and Karen came into my life when Shawn & KariLyn started dating. I know that my daughter enjoyed the time she spent with the two of you. God be with you and give you peace knowing that Karen is now at peace and resting with Shawn. I have found that only time heals.

God Bless
