Thank you for always being excited to see me, thank you for loving me when I was at times unlovable, and thank you for teaching me the true meaning of independent thinking. “ To Jeannie & Ms Patricia,  
My prayers are with you at this time. Ms. Kay was a very loving and kind friend and mother she will be missed by all. I remember her fondly when I was growing up and her words of wisdom. Funny how you remember things that at the time growing up you now tell your own Children. My blessing to you all.
