Kathy was a very good friend of mine when I was young. She was such a wonderful person. I'm so sorry to hear I have thought about her over the years. I wish I could've spent more time with her.

“ *I only saw my aunt A handful of times, but when I did I remember her smiling. I remember when she and her son came to visit us in California. I remember her smiling at her son and I as we were going into the ocean. God Bless her and my condolences go out to family and especially her son.*
