“ My deepest condolences to Kay's family and friends!! I am so sorry to learn of her passing! I went to school with Kay, and hung out with her. She had a mare, Princess, and she took me riding with her many times. Although she was ahead of me in school, she always treated me so great, never annoyed with me for being a silly kid, hanging around her. We had such fun! I'll always remember and treasure her friendship. Kay, herself, was a treasure! I miss her, and I miss those days. Rest in peace, Kay. I love you, friend.

“ Our sympathy to Kay's family. We sat next to each other in Speech class at Franklin Center High School and had deep discussions on the meaning of life. I remember her as an intelligent and sensitive person. My husband grew up with her in the old Lee Center neighborhood.
