“ I just read in the paper of Ken's death , Carolyn. My sympathies are with you and your family. May God comfort you with his love at this time. I am sorry I did not know in time. My sister saves the papers for me and I read them a week at a time. I will be praying for your days of grief ahead of you.**

“ Ken made a great, lasting and positive contribution to my life and my character.

He gave me my first real job during summers while going to college (30 years ago) and through his steadfast example helped me develop my work ethic, my belief in fairness and honesty and my drive to do quality work above all else.

I have not kept in touch, but I have thought of Ken often and I will miss knowing that he is there actively sharing his love of life and passion for human interactions with others - as he did with me.

“ To Carolyn and family. Ken and I met in fifth grade when he was bused to Lincoln grade school to start 5th grade and we immediately became friends. I always considered him a close friend and a brother. I had the opportunity to grow up with Ken and enjoyed many good times together. I had the opportunity to introduce Ken to Carolyn in 1957 and they were married in 1958. My heart goes out to the Etchison family during this time of sorrow. May God be with you all during this hard time over the loss of your loved one.

“ Our prayers are with you all. Losing your Dad & husband at 71 is too young. I know he is in a great place now & you have your own special angel to help you get through this. I know your pain as I lost my Dad only a year ago too at 75. I am just thankful everyday I had him that long. We will be thinking of all of you tomorrow & the days ahead. He had a terrific family & has gone to prepare a home for all of you.

Our Deepest Sympathies, Jim & Pam
