“ Kenny was a great man. I know him from working at road ranger he came in a lot for his cup of coffee. He was a hard working man I would always tell him to stay safe and don't work too hard. He never knew it but when ever I didn't have any money for something to eat he would give me \$5 just for giving him a free coffee every morning he came in. He didn't know I needed it but he always gave at the right time. Even when I left road ranger I always thought about him hoping he was doing Ok. Now he has moved on to a better place an I will miss him.
