“ *I don't know how to find the words to say how sorry I am that your family had suffered this unimaginable loss! There are no words that I can say that will comfort you. Do know that you have family and friends that are on their knees in prayer for you all! As a young Adult Kevin would spend time at my house, hanging out with my daughter, they were pretty good buddies! He was the sweetest young man with a soft spoken voice, always so polite. Anytime I would run into Kevin he would always take time to stop and chit chat. He was a great kid. I'm so sorry this is happening, please lean on God. Let him wrap his arms around you, let him help you stand when you just want to fail!! Or house will be praying for all!*
