“ Wrote this in her memory

Clock strikes midnight

*You closed your eyes
As you walked off the stage
At the end of the show
You took your final bow
And nobody foresaw*

*Passing through the curtain
You're gone but never forgotten
Under the evening skies
Can only see the shadows
Where today's turns into tomorrow's*

*Never had a chance to say goodbye
Is hard to say goodbye
Sitting here alone I cry
Sometimes asking why you're
Gone way too soon*

*Now you're where the angels fly
Wish we had more time
Now the clock strikes midnight
Wish we had more time
Now the clock strikes midnight
Where time is never enough*

*For you crossed the great divide
Now you're forever in
The heavenly arms
For the angels took you
To the other side
From here to there
There is a chasm*

*For the angels took You
To the other side*

“ *Used to work with her until the weekend of her passing so I didn't know her that well and was a pleasure working with her. Knew she was struggling with certain things in her life but did consider her as a friend. Deeply sorrowful that she left us way too soon as she did*

“*Krista has been my best friend for three years. She has been fighting these demons the whole time I've known her. I know she's at peace now. I am so sad. Krista Ann I don't know what I'm going to do without you. I am so mad at you right now. I am so sorry , I wish you would of called me. Well friend, until we meet again, I will never forget you. I love you!!!*
