“ *I'm so sorry to hear of Laverne's passing. I worked with her about 12 years ago, when she was in the foster grand-parent program, at ARK Day School. I had a BALL with her! She was so fun, and full of life! She brightened everyone's day with her smiles and her jokes. I always looked forward to going to work, I knew she'd be there to make me smile:) I missed her dearly after I left there, and thought of her often. Whenever I think of her, I smile:) My thoughts and prayers go out to her husband and her family.*

“ I am very sorry to hear of Laverne's passing . The last time I saw her was when I visited her at the Lee Co Nursing home when she was there for some physical therapy. I talked with her once after she returned home and she seemed to be doing well.
I had the pleasure of being their auto sales person for many many years. I have to say it was always lots of fun . She was always so full of life . She always had some jokes to tell me. She was a very outspoken and unique individual.
My prayers go out to the family. I know she will be missed by all.
Myself included.
Sincerely, Steve Acree
