“ *Jeff and Family,*

I wish I had the words to help ease your pain. I am so sorry for your loss. Leanne was so special. I remember when Jeff and Leanne first started dating. I was so happy that she was so cool and friendly. Leanne had this ability to make everyone around her comfortable while having a blast. No matter how much time had passed since we saw each other she always made me feel welcome. She will be deeply missed.
