“ *We've known Lelalu and Gary for over 30 years, our lives were paralleled by family and business. She was unique-unapologizing in her straight forward approach to life. So hard to imagine she's gone. And harder still to put into words how much she'll be missed. Prayers and deepest sympathy to Gary and all the family....*

“ Sure going to miss Lela and her cooking. She fought a good battle this past few years which showed how strong of a woman she truly was. My thoughts and prayers for comfort and healing to Gary and all the family. Love to all, Kathy
