“ *Uncle Leo and Aunt Agnes have been role models as a wonderful Christian marriage. Leo has always been the warm and loving uncle to me and my children. Always greets you with a hug and makes you feel wonderful. He especially loved my kids - always took the time to ask about them. We have movies of him picking Ryan up and his smile was as big as all outdoors.*

God Bless Leo and his family at this time. I will be thinking of all of you knowing how much he will be missed.

“ I have many memories of Leo that date back to when I was a toddler.

It is rare for a child to have an opportunity to get to know her Great Uncle the way I was able to know Leo.

My Grandpa Cecil had/has a very tight relationship with his family, which gave me the fortunate chance to know what a great, hard working, caring and gentle man Leo truly was. Even at the young age of 7 I knew that Leo had a very special soul and I have always felt that through the years. I have three siblings and each of us were touched by Leo and his genuine nature.

Although I didn't see him much as I grew older, Leo was always in my heart. I will remember forever the last few times I was able to gather with him and Agnes at Grandma and Grandpas house for coffee on those special Sunday mornings.

*We love you Leo,
