“ *Lew was my brother-in-law. He was a man of great love for family. He was a wonderful father and husband. He always wanted everyone to enjoy the times together as a family and went out of his way to make that happen be that the Rock River with tubing fishing or cookouts at the cabin, in Wisconsin on the Mississippi or in Viola or family time up north in the Winter Wisconsin area, he was part of being the organizer to make it happen to be together. How he liked fireworks and doing it for his kids and neices and nephews. I know that he was a wonderful role model for my son and daughter and that they have the fondest memories of the kind, loving and gentle soul he was to them. Love you Lew as you rest in the loving arms of our savior in heaven and join Debbie, Jennifer, Jeff, Nancy and Colton there!*

“ I did not personally know you Lew and barely knew Karen until we all became part of your journey , justice for Colton. As time had passed I feel like you and Karen became part of my family ...tears, hills to climb and some joys and triumphs along the way. You along with Karen became Colton's voice and pillars of strength of each other. I pray that you and your family in Heaven will watch over Karen as her healing begins and I pray my friend that you now will find peace and happiness with Colton and the rest of your family in the Heaven's above!
