“ *What a great picture of Lila - she was born at home with a cousin of mother (Fern Graehling) doing midlife - She would not even let my sis,, Evelyn or I in the house, but we could still hear mother's screams and kept knocking on the back kitchen door for dad to tell us mother was still alive--- then we had to baby sit - and we were 13 and 11 yrs old. it is a wonder she survived. and I remember vividly taking her and "Tony" to a horse riding contest - she was bound determined she could win - and i kept telling her she was up against professional riders - forgot how she did but know it was a good experience for both of us. She loved life and was full of laughter. I will miss her.*
