“ *Linda and I were best friends in our teenage years .I will never forget some of the crazy things we did back then . We lost track of each other for many years. I searched the internet and every other means to find her. Finally in 2004 I found her through her sister Shirley. I was lucky enough to reconnect with Linda and see her a few times over these last 16 years. I love you Linda and my heart is very heavy! I miss you so much!
Love you girlfriend.
