“ *I have great memories of Linda while growing up while attending family functions. Although we were separated by many miles over the years, we caught up through Christmas Cards and more at family functions. It was great to see Bob and Linda in January at Dad's 90th birthday party! We even connected on Facebook this year and "talked" into the fall. Linda was always supportive of family and will surely be missed.*

Our sympathies and prayers are offered for Linda, Bob and their family.
