“ I have known Linda for over 30 years. Some of the best times of my life were spent with her and her sisters. Linda was one of the strongest and fun loving people I have ever known. She was always easy to talk to and willing to listen. I will always carry a lot of fond memories of her. My heart goes out to her family. May God be with you my friend.

“ My heart goes out to all of Linda's family and everyone touched by knowing her! I didn't know her well but from what everyone has said about her over the last few years that my sister's have been in her life, she seemed like a great mother, grandmother and just a good person to be around! Just know that she is now watching over everyone and guiding you and those grandbabies in the right direction, right along with our dad! RIP Linda
