“ Aunt Linda was a generous and caring person. Her devoted love for her husband, children, and grandchildren also reached to our extended family. I remember all of the trips the Nolan family made to Colorado for family visits and celebrations like my high school graduation, when Kim was just an infant, and my wedding when Jennifer was my flower girl. Her Southern hospitality was always so evident during our stays at the Nolans when we visited Dixon. Her commitment to family has helped us to remain close over so many years, and despite being so many miles apart, and I am very thankful for that. When we lost Suzanne, Linda reached out to me with compassion as a mother who had also lost a daughter. That meant so much to me then, and I try to follow that caring example in my life now. To Dennis, Jennifer, and Kimberly, and your families, our hearts are heavy sharing your loss. Please remember that she is just a breath away, and that you will be together again someday in God's heaven. Love, Julie
