“ *We were all saddened to hear about your wife/mom. She was very dear to our hearts and one of the best neighbors around. She often defended my sister Heidi from many of the bullies in the neighborhood and I/we will always remember her and be grateful to her for that. She had a big heart and a wonderful sense of style, especially when she gave me my first perm:) We love you Linda.*

“ Jim,
I am so saddened to hear of Linda's passing. My relationship with her was all too short. You two were some of the most honest and enjoyable people I have encountered in a long time. This world is a better place because of her and I thank God that he allowed our paths to cross.
