“ *I worked with your mother here at ComEd for many years. She was so much fun in the office. You kids were small so we always got the scoop about what you were doing. She loved you two so much. She was such a joy to be around and I will always remember her sheet cake that she brought in all the time. I have her recipe and I too make it quite a bit. My deepest condolences to all the family. The world has lost a wonderful person...but the heavens are now shining bright with her humor and love.*
