“ *Maggie and I have been friends since our boys were little. There was always a cookout or following the sports bus to games. After graduation we had "the basketball moms the most fun 6 moms brought together by their sons". we would laugh for hours. Maggie drove to Cleveland with me once to visit friends that had moved. She was amazed at all the trucks on the road. I will miss her laugh,her cookies and her friendship. God Bless Maggie Bobbi Berwanger*

“ Maggie was a loving and faithful friend. I first met her when we were children and my dad would test the milk at her dad's farm. Years later we both worked at the Ill. DOT together. My husband was sent to Okinawa by the Army so Maggie befriended me and we enjoyed eating out or whatever. I left the state when he was out of service but Maggie always remembered me with birthday, anniversary and Christmas cards. She visited us in NC and we visited her on her and Larry's farm. She and her sister came to visit when my first child was born 50 yrs. ago. That meant the world to me being away from family. I will miss her so and my prayer is for Larry and Tim and his family.

“ Every spring , traveling through Dixon, we would always stop to visit Larry and Maggie. Maggie would always have an apple or cherry pie awaiting our arrival. No one could make pies like Maggie. We are so proud to have such wonderful friends, for over 50 years. We will miss you, Maggie. Now we are looking forward to the “apple pie in the sky”. We love you, Glen and Dianne Thomas

“ *So sorry to read of the passing of Maggie. I know she will be greatly missed by all. May your many memories of her sustain you during this difficult time. I wish I had some specific memory or story to share but I don't. I just remember that she was all about family and put them above all else.*
