“ *Maytown has lost some great ladies this year, with your Mom certainly being among them. I have pleasant memories of sharing time with your family, especially with Liz, and remember Peg as a cheerful presence in your home. I am sorry for your loss. The "Altar and Rosary Society" in the sky has gained some great members this year: Mom, Madge King, Rita McLaughlin, and now Peg!*

“ To the precious family of Aunt Peg:

What sweet memories I have of your mom. She always had laughter, deep rich sounds that I know bubbled up from a heart of joy. And, she had that great ability to talk to her nieces and nephews as if we were around her all the time. I always felt welcome in her home.

My prayer is that God the Father, through His son Jesus, will fill you with His hope and peace, today and in the days to come.

With love,

“ To all of the family: My sincerest sympathy for your loss of a wonderfully cheerful and loving person. Maytown has had a run of losing its elders lately. I have fond memories of your Mom always laughing and never ruffled by whatever the bunch of kids surrounding our families did! Fay Faivre Obergfell (Pinky)

“ T. I remember what you had written me when my mother died. I have kept the letter for years. "If I should ever leave you whom I love, to go along the silent way, grieve not or speak of me with tears, but laugh and talk of me as I were beside you. For who knows, but that I shall be oftentimes? Love you.
