“ *To Margaret's family, please accept my sincere condolence in the loss of Margaret. May your memories of her sustain you in the days ahead.*

Back in the '70s I worked with her at Borg-Warner, second shift, and we kept in touch through the years after I left Dixon. She was a wonderful lady, and I loved her sharp wit and common-sensible approach to life. We had some great conversations. I do wish I had made more of an effort to see her before she moved away from Dixon, and it is my deep regret that I did not write her as often as I'd intended.

Peace be with you, Margaret, you're a great lady. May God bless you all.
