“ *Isabel was such a kind, gentle and trustworthy individual as an employee and also as a friend. In her quiet unassuming manner Isabel made many friends who I am sure will miss her presence. She will be remembered in thoughts and prayers. My deepest sympathies to her brother and cousin in Poland.*

“ *My brother and I had grown up with Iza and Grandpa, she was such a kind lady who always made us feel loved. When we would visit them or they would come out by us she would always bring the most delicious treats to share. She always remembered birthdays and we would receive a nice card in the mail that just made us smile. RIP, you are a shining star up above for us to see at night.*
