“ *Although I did not meet Marian until the twilight of her life, it was obvious that she was a strong, smart and refined woman. A true matriarch in every sense of the word. Since meeting Marian every time I see "Peeps" candy in the store I look to see if they have the sugar free variety for her. For Sylvia, Suzanne, Morris and the rest of the family, my thoughts and prayers are with you at this most difficult time. Godspeed Marian, and God bless.*

“ From 1983 to 1988 I had the pleasure of being a CNA for Mapleside Manor and having Marion as my boss. They did a "Secret Santa" and I remember one year I was blessed to have her be mine. She would put little presents on my front porch and they would be waiting for me as I would head for work in the morning. I still have one of them tucked away and every now and again I take it out and think of how special she made me feel. I also remember how ever night at the same time she would come raid the kitchen at the nursing home to gater all the left overs to feed all of the stray kitties. Those cats would see her car pull in and be in the parking lot by the time she came out waiting for her!

Marion was a woman of strength, compassion and class. I am better for having known her.

Thank you Marion for your gift of time here and I know you are at the Rainbow Bridge making sure all the kitties are fed!

Namaste,
