

Marilynn Potter

Marilynn V. Crawford - Potter, 86, of Dixon passed away Thursday May 1, 2008 at Lee County Nursing & Rehabilitation Center after an extended illness . Marilynn was born June 11, 1921 in Dixon, the daughter of George and Viola (Fleming) Crawford.

She married Ronald Potter Dec. 1, 1945 in Dixon. He preceded her in death January 25, 1977.

She was the owner of Potter's Cleaners in Dixon prior to her retirement in 1987.

Marilynn enjoyed immensely her wedding invitation and Christmas Card business and always took great pride in fulfilling her customer's needs. You could always count on Marilynn for the perfectly styled invitation to your event. Marilynn found her beloved cats most dear to her heart which was evident by the cat shirts and sweaters that she would wear. She always provided a loving home and luscious meals for her treasured feline friends.

One of Marilynn's favorite pastimes was the endless donation of her time for others. She thoroughly enjoyed the time she donated to the Gingerbread House and the many endless hours she would spend working on her high school class reunions. Her countless efforts in these causes will be sadly missed by all.

She was a member of the First Presbyterian Church of Dixon, the A.C. Club and the WA-TAN-YE Club.

“ *David,
I am so sorry for your loss. Your mother kept Dot and I laughing at lunch every Sunday at the Parkway when I lived in Nelson. She had such a good sense of humor. Her stories about Cooper's antics were hilarious. She loved her Pina Colada, chicken wings and peanut butter pie. Marilyn was a great friend and I will miss her.*

“ I am so touched to hear of your mom's passing. I have often wondered where she was and how her health was.

She was like a mother to Charlie. He always said that she was more of a mother to him than his own ever was.

Charlie passed away last September. Didn't know how to get a hold of you. Can hardly believed that Marilyn outlived him.

She was a fine lady. I ALWAYS enjoyed being with her. God broke the mold after he made her. She was one in a million. I loved her so.

I'll always remember the time that we all spent together especially at Piper's wedding. I was so pleased that you and Amy came and brought her too. You are in my prayers and thoughts. You both have a special place in my heart.

*I can't be with you for the funeral or visitation because I will be in California. Piper is having a baby this week. She has had a high risk pregnancy (high blood pressure) and is delivering boy * 3 this week. I am flying out on Thurs. May 8*
