“ *I was sadden to here of Marion's passing. She was always kind and loving to me. She and you have always excepted me as one of the family, and I felt you all were sincere in you greeting and our conversations. Tomatoes will always remind me of her, as I thought she was a little nuts when she started nameing them. I will miss her and her smile, and comments. Hope to see you soon, and I will be praying for you.*

“ My favorite saying is: "When you are born, you are crying and everyone around you is smiling. Live your life so that when you die, you are smiling and everyone around you is crying." That certainly applied to Marion and it was a joy to see all the friends at the service with tears in their eyes. We will miss her. God's gain is our loss.

“ I Too am going to miss Her. It's going to be hard for awhile. But, hang in there. I lost Joan in May. I still talk to Her. She hears me. And Joan is up there too. She will help Marion, I asked her to. Tell her to look for Joan.

“ Frank (and family)-

I can not tell you how sorry I am for Marion's passing. She was a wonderful person who accepted me as part of your family from the very beginning. I will truly miss her but I know she is in God's hands now and will be there with her smile the next time we meet. My heart felt sympathy and prayers go out to you, Sharon, Jay, Craig, Frank and the kids. Unfortunately I can not make it to the funeral, but please know I am thinking of you all at this difficult time.

With sadden heart,

*Love,
