“ *This is for Jack, Carol, Kathleen, Don, Mary and Colleen. Your mom was the best! She always had that big smile for all of us. We spent a lot of time in the summer playing at your house and they are all great memories. The thing I remember the very most was your mom's chocolate cupcakes that she kept in the freezer. I remember those treats so well that I can still taste the frosting. Yum! I feel so bad that I can't be there with you to say good bye. The roads were getting slick around our house this afternoon so we decided not to chance a trip to Amboy. Just know we will be thinking about you all day tomorrow and will be saying prayers for your family.*

The Albrecht family wishes to extend our deepest sympathy to all of you for your huge loss. Madge was a WONDERFUL neighbor and friend. We will never forget her many acts of kindness shown to our family especially when Doris moved from the farm to Indiana. We (Dave and Barb) stopped in to visit with Madge on Dec 15th after our nephews funeral and had the nicest visit for which we feel so blest. May all the good memories give you comfort at this sad time. Our prayers are with you. Doris Albrecht and family.

“ I met Madge my first year of teaching at Maytown School. I was fresh out of college and anxious to be accepted by all. Madge was the nicest person and became my friend while I was teaching. I had her daughter, Colleen, who was the sweetest child, just like her mother. I'm so sorry to hear of her passing. I think of all of my friends from Maytown, especially Madge. My thoughts and prayers are with you all.

“ Our thoughts and prayers are with you. I am sorry that health problems prevent me from being at the funeral. I have many fond memories of your mother as a welcoming hostess who always had a smile when we came to visit and I worked with her as an adult in the religious education at St. Patricks. Remember playing the old player piano in the play house and ice skating on the gravel pit? We shared many fun times growing up, and I would love to have been able to be with you at this time. Ann
