“ *Memories of Janet and my relationship suddenly came to me tonight (june 9th). I realized I had missed her 65th birthday ! When I "goggled" her, your mother's obituary popped up ! She was a second Mom to me in those early years. I can recall her voice and see her in the kitchen or outside tanning with Tug Utley !! And the dinners and sleepovers.....good memories. Sending you all warm, caring thoughts. It is difficult to lose a parent at any age...my Mom died fifteen years ago and I think of her daily. Still hoping to connect with Janet ! Love, Ellen*
