“ Mary was a school classmate of my Mother Elsie Burdge Schnell. My Mom and Mary stayed in touch until my mom passed away several years ago. I know they both enjoyed their class reunions that they attended yearly a few years back. I remember visiting with Mary a few times as well at those reunions that I drove my Mom to. Now they can reunite again along with some of their other classmates. May your best memories be a great comfort to you at this difficult time.
With Sincere Sympathy,

“ I worked with Mary at the City of Dixon. She made me clothes for my Campbell Soup dolls. I also knew her through church. I just loved her. I am so sorry for your loss.
