“ *I was fortunate to work with Maryellen for about 4 years in the state's attorney's office. She knew her job so well and could answer any question that a newcomer like me would ask. We were always so busy, but Maryellen always took time to explain situations and teach me the ropes. I appreciated her many kindnesses and lovely smile. She was beautiful inside and out. She fought hard against her terrible illness and God will reward her for her suffering. She was a courageous lady, always a lady. I am praying for your family.**

“ *Maryellen always had a smile on her face every time we seen her. Usually, Ann was with her, and you would get another smile as well. (On an occasional Sat. morning you would see both girls at the farmers market) She always inquired how our family was doing as though she had no problems of her own. Even though we didn't see her on a regular basis, we will miss her as part of our family circle. God bless you, Maryellen and God bless you Ann--you have always been favorite cousins of ours!*
