“ *Dear Joann,
I'm sorry for ur loss. When I asked u on how Matt was doing when I seen u were working the drive up window at 5/3 rd bank u had worked at many yrs ago and that you loved and supported him. I've known Matt for a long time as I used to hang out with him in high school. After those years we soon departed and found new friends. I then met ur son again when doing a paper route with the Dixon Telegraph. I quit my routes and he was still doing his and I drove Stormy around to get hers done because she had lost her license because of DUI's and we'd chat some but not that much. I met Holly once when doing the routes. He told me of his illness. I forgot what it was as he was struggling with it and chatting with others when waiting for the papers. My thoughts and prayers are with u.

“ Dear Joan and family,
I am very sorry for your loss. I was shocked and saddened to read
about Matt passing away. I only knew Matt for a short time, but I
enjoyed coaching him. He always worked hard and never
complained. He was one of my players and because he played for
me, he was one of my kids!!!! This does break my heart. I hope that
you and your family turn towards GOD and lean on HIM for comfort
during this difficult time. Please tell Joy that I say hello.
