“ *Vicky, Don Hay called me last night to tell me about your Dad. I'm so sorry for your loss. We had talked often about our Dad's and what fun they were. I know you have no regrets about your care for him and as my grandmother would say, " You will have many stars in your crown in heaven."*

By the obituary I see you must be back in Chicago. Call me when the dust settles and catch me up to your busy life.

*We are all fine here. Take care of yourself. If there is anything I can do let me know. Love in friendship, Les**
