“ *I only know your family as being people in my community but I feel for you all during this time...Mike indeed was a very special person in my brother Mike's life and I enjoy hearing the stories of them... They were both very good men with a friendship few people ever have. My thoughts and prayers are with you all. The friendship between the two men will now resume...*

“ *I'm so very sorry to hear of Mike's passing, I saw him last at our 35th high school reunion in 2006 in Sublette. Several people mentioned how much he had contributed putting the whole affair together. We had a lot of laughs that night and I was so pleased reconnecting with Mike. I've known him since the fourth grade. My deepest sympathies to Mike's family.*
