“ *As I was checking the addresses of the Sreit Family with the thought of possibly visiting I came upon Michael's obit. I am very sorry to hear of his death. I have so many fond memories of our many trips to Maytown. I have never forgotten your grandfather Pete as he was always one of my favorite people even though I was just a youngster. My dad, Carl, use to refer to your dad, Floyd, as his best friend. Right now I am closing in on being the oldest living of our clan as my Aunt Mary Ann is in poor health as a 95 year old. My dad died in 1985 on Dec. 23th. My mother died two years ago at 95. I would love to make contact with Janet, Joan or Mark. I have entered my address, phone number and email address so I hope we can make contact.*

“ Janet, Joan, Mark I think about you guys very frequently and have often threatened to just get in my car and take the drive back to Maytown. Your grandpa Pete was one of my favorite individuals in my life. I always enjoyed my time at your house. I think the last time I was there Michael was about 8 years old. I can still remember your house and unless it has been changed too much I believe I would recognize it as I drove by. I was shocked when I discovered that Michael had died, he wasn't suppose to do that. I hope you take time out to contact me if you get this message. I would love to make contact with any or all of you. Bristol is off of Galena Rd. just a little southwest of Aurora. Please call or email me. Don

“ My sympathy to Mike's family. Mike was a great person and glad I had a chance to be a friend. I worked at Woodhaven at the Realty office and knew Mike also from gatherings at Woodhaven for Holidays and special occasions. He always had a smile and a good word for everyone. May God Bless and Rest In Peace Mike, we lost you way too soon.
