“ I send my sincere condolences to the Bushman family on the loss of your dear Norma. Norma and I were in the same classroom with grades 3, 4, and 5 in the early 50s in Maytown. Occasionally the teacher would have us bunch up together for a special instruction. Norma and I would always sit together in one little desk. Such a vivid memory! We didn't see each other a lot after those days since my family moved to Dixon but whenever we met we'd often share that memory. Norma always had a smile and was a lovely soul. We also shared a family member, her sister, Vivian, was my sister-in-law. RIP dearest Norma. I hope the next desk we share is a little bigger.

“ We were so sorry to hear this sad news, Norma was such a happy person with such a willing spirit to help out. When I think of our little Church she is always one of the people that come to mind. May she Rest In Peace and may God wrap his arms around & comfort all those that loved her, especially her family.
