“ *Stephen and Anne You do not know me but I am a family member on your Dad's side. I saw the obituary in the Monroe paper on line and I wanted to contact you.*

Your Grandmother was married to Frank Elmer. Frank was the son of Grace Elmer and Grace was my great aunt. Grace was Grace Pandow, the sister of Hattie Pandow Donner, my grandmother. I remember Grace very well. She used to stay with me and my brother and two sisters when our parents were away. I remember Frank also but he died when I was very young. When we were kids I used to play with your Dad when they came to MONroe to visit Grace.

I remember when your Dad passed away and my Mom and her sister Florence Lanz drove to Dixon for Michael's funeral. My mother, Bea Donner Regez passed away on May 7 of this year and we have just returned to Dallas from Mom's funeral. If you come to Dallas sometime please contact me. I put my address on the form and also my phone number.

You have our sympathy at this time. I am sure Grandma Olive was proud of her two grandkids. I remember Aunt Grace thought the world of Michael.

Sincerely, Jane Donner Regez Foley

“ I was so sorry to hear about Olive's death. I was a tenant of hers for 5 years...the last 5 years that she lived in Dixon. She was such a wonderful and caring lady. She would share her meals with me and buy soup for me when she knew I was sick. Olive had such a big heart - and always had a big smile on her face. I loved to hear her stories about her family. The glow on her face when she spoke of her grandson Stephen was priceless. I was honored to have her as my landlady. I couldn't have asked for a more kind person. God Bless you Olive!!* ”
