“ I taught with Pat at Central School several years ago. She was a genuinely kind and caring woman. Her students were treated like they were her own children. Pat was always positive and showered love in those around her. May she rest in God's love ❤️

“ I will always treasure the memories I have of attending Kindergarten Conventions with Pat. Long after we turned out the lights in our hotel room we would lie in the dark discussing our families - our hopes for our children, our love of our spouses, our career hopes for our future. Pat was one of the most loving and compassionate individuals I have ever known and I will treasure the memory of our friendship for as long as I live.
