“ *I was driving to my mother in laws funeral when I found out about Pat's passing. I worked with Pat for several years. After she left, we continued to do things together, plays, concerts and most of all we went the the Kentucky Derby together and had a blast! Thanks for all the great times we shared Pat! I am going to miss our talks and spending time together. Until we meet again! Rest in Peace my friend!*

“ I was so sorry to hear of Pat’s death. I value the friendship that we had, from our early days as roommates on our high school trip to Spain to the times I visited her at college, at both Illinois Wesleyan and Loyola. She and I hosted our first dinner party when we were in our early twenties and I still remember making the Beef Bourguignon in Agatha Tyne’s kitchen. In more recent years, we had the opportunity to meet for lunch in DeKalb. Dan, you were seventeen or eighteen at the time, close to the age of my youngest daughter, and your mom and I had a good time sharing stories. She was very proud of you and I am so sorry for your great loss. Beverly Scherer Long

“ We are sorry for your loss. We haven't seen Pat in recent years but have memories of you kids when you were small. Pat had such pretty red hair. Your parents were so proud of all of you. So sad to lose Pat at such a young age.  
Condolences to her son Dan and the rest of her loving family.

“ *I will treasure the memories I have of Pat! She enjoyed a good laugh and was a faithful friend. I marveled at her determination to visit all seven continents --- most people cannot achieve that in a lifetime! She enjoyed plays and musicals, especially at the Goodman Theater. I will miss our lunch dates, especially when our friend, Patricia, joined us as we shared food and laughter. Pat and I became fast friends many years ago as we watched our boys play baseball during their highschool years. Dan, your mother was very proud of you and your accomplishments!*
