“ To Pat's family,

I was so sad to read today of Pat passing away. She was my boss at Medical Arts many many years ago and I learned so much from her. We kept in contact after I left there. I always held her in the highest esteem, she was such a wonderful supportive friend to me and always smiling. I always admired her work ethic, and loyalty and compassion to friends and family. My prayers are with all of you. Vanessa

To The Wilson family,

We are very sorry for your loss of Pat. Good health was not on her side and she suffered greatly these last few years. You can be proud of the ways you, as her family, gave her comfort and happiness. May she walk through Heaven forever. Dick and Julie Harden
