“ We were so sorry to hear about Paula's passing. Jeff was a very good friend of mine in college. We played in the drum section of The Ohio State University Marching Band together, and we were model railroad buddies. I officiated at Jeff and Paula's wedding. We had a lot of great times with them after they were married. Please be assured that we keep all of you in our prayers. May the peace and strength of Jesus Christ be with you and bless you! “ Paula, You will ever be remembered for your joy of spirit. I will always remember the giant bag of twizzlers being passed around the classroom in music theory class. You are an amazing friend. I'll see you someday again and we can make more mischief in heaven. Jen
