“ *I read about her passing and was shocked. She was such a warm,
kind and giving person. I enjoyed joking and talking with her.
Heaven has gained another angel and we will surely miss her
sparkling smile.*

“ *Shocked to read of Phyllis' death. She was always a bright spot in
everyone's day at the high school. She had such a wise balance of
warmth and professionalism. My sympathy to the family, especially
Jody -- my heart holds warm memories of your whole family. Wish I
could be there ... My prayers are for you tonight.*

“ Our family is heart broken to hear of your loss. Phyllis was a wonderful, kind hearted person, who could warm a room with her laughter. Now our Lord has her with him where there is no pain or suffering.

God Bless your family during this difficult time.

“ My deepest sympathies go out to you who are left behind. I went to school with Jody and I know that you and your mother were quite close, Jody. I remember your mother as being so engaging with everyone she was in contact with. She always smiled and had this sincerity about her that was indescribable. Jody, I lost my mother several years ago and I will tell you that my memories of my life with mom have sustained me. You are blessed to have known her. And she was blessed to have had you as a daughter. Please know that I am praying for you and thinking of you often.
