“ *Dear Family, I would like to extend my deepest condolences to you in this very difficult time. Rita was a dear friend and business associate for many years and I will never forget her concern for others and especially the support she showed me in some of my own personal issues. I wish I was able to be there personally to extend my sympathy but health issues do not allow me to travel at this time. Please know I have all of you in my prayers.*

Sincerely,

Tom

“ My thoughts and prayers go out to Chad and Tina and the kids. I visted aunt Rita a few years ago when i moved to Nevada. She seemed suprised to see me. As we chit chatted she told me she thought that some of us would never talk to her. I was quick to inform her that she will always be my aunt no matter what happens. I remember growing up and watching her and my mom play baseball. Now she is playing on gods team. Hit one out of the park for me aunt rita. Thank you for letting me share my words. "May your memories never fade and your thoughts always be spoken." Amen

“ I'll miss U. There are so many wonderful memories I have.....thanks for all of them. I'll miss your bucket list talks, coffee in the mornings on moms back deck, a cold beer, your stories (especially the ones you always tried to tell but were laughing to hard to finish) and most of all I'll miss that laugh.....that laugh when heard made me laugh even if I had no idea what was being laughed about. Tina and Bub you're in my thoughts and prayers. I pray god helps you get through this difficult time.

“ To the Family of Rita:

Lord our God, the death of (Rita) recalls our human condition and the brevity of our lives on earth. But for those who believe in Your love, death is not the end, nor does it destroy the bonds that You forge in our lives. We share the faith of Your Son's disciples and the hope of the children of God. Bring the light of Christ's resurrection to this time of testing and pain as we pray for (Rita) and for those who love her, through Christ our Lord. Amen.
