“ *Bob will be missed. We moved in about 5 years ago and enjoyed having Bob as neighbor. My kids will probably remember him most for the kids meals toys he would give them every so often. He would stop me out front and say I got something for the kids and hand us a few toys saying that he just wanted a snack and the toy came with it. Sorry we are unable to attend visitation or funeral due to other family obligations but again Bob will be missed and our prayers go out to his family.*
