“ First I'd like to express my condolences to Bob's kids and family. I've known Bob for over 50 years. He dated my sister in the mid 70's then partied with him in the mid 80's then reconnected on FB about 5 or so years ago. I'm ecstatic that he knew our lord and savior Jesus Christ! I loved reading his posts on FB and all the nicknames he hadf or people I know. We got together just 2 weeks ago for coffee when I was in town. I'm sure him, Moore, and Orgiesen are having a great reunion! My prayers are with y'all!

“ Bob was the best man at my wedding. He was so full of energy, funny, and a good friend. We shared many great times together: playing basketball at the Fosters, softball for many seasons for St. Pats, cruising, parties at my house, dumping leaves at Sharon's house, music, and much, much more. I moved to Indiana and have not seen him much for awhile. It does not mean I appreciated him any less. He will be missed. He was a big part of my life when my life was in development. God bless you, Bobby.

Bob positively influenced many many people...He was truly kind through and through....we attended many concerts together including Paul Simon in Chicago where we got pulled over under the post office downtown as we dumped our Heinekens(sp?) on the floor of my 74 Chevy truck two blocks from the theater.. we survived....beautiful man....He will enhance the Playlist in Heaven...
